

# AIRTX, LTD STAINLESS STEEL CONTROL COOLER

## KEEP FACTORY-FLOOR CONTROLS ON-LINE

### Overview

Dirt, moisture, hazardous or corrosive material is the Achilles' heel of industrial electronic systems. And opening cabinet doors to prevent heat build-up is a hazard. AIRTX stainless steel cooler provides up to 2500 Btu/H\* of cooling – enough for a 6'x 6'x 2' cabinet.

Model 70325 Stainless Thermostatic Control Cooler System

### Chemical Processing

The model 70325 Thermostatic Control Cooling System mounts on the side of this control, out of the operator's way, allowing free rotation of the control and clear view of the process. thermostatic control minimizes air usage.

### Features & Benefits

- **Environmentally friendly** - uses no freon
- **Stainless steel construction** - performs in the harshest environments
- **No moving parts** - maintenance-free
- **Compact** - fits cramped factory areas
- **No electricity or explosion hazard** - peace of mind

### Standard Items

- Included with above kits:  
Stainless steel cooler, 5 micron automatic filter, ducting, thermostat, solenoid or solenoid valve

### Solid Performance Since 1975

Galco strives to offer you the best possible solutions to all your electronic component and control requirements -- with same day shipping! It is our business to provide you with the products and services that assist you in maintaining a constant flow in your production and manufacturing schedules.

We are proud to be a leading national stocking distributor for over 155 brands -- with more being added each day. get the products you need, when you need them from our strong and growing inventory.

Plus, you'll appreciate how easy it is to source products because we offer you exceptional cross-referencing information and related item references from a highly-trained, experienced sales staff.

\*630 Kcal/H cooling and 1.8m x 1.8m x 0.6m cabinet

### Other Air Productivity Items

Vortex Tubes, Air Curtains, Air Knives, Air Amplifiers, Static Eliminators, Drum Devils

### How to Order

PART #	DESCRIPTION
70308	600 BTUH Thermostatic System
70325	1800 BTUH Thermostatic System
70335	2500 BTUH Thermostatic System
